high-quality  
mental  
health care  
for people  
in need with  
your gift!

**give** TO THE **MAX**   
Nov. 19, 2020

Vail**Place**

During this worsening pandemic, **phone and internet service is critical for most of the over 3,000 community members Vail Place will serve this year.** These costs are both unplanned and expensive – over \$60,000!

**During #GTMD20, we need to raise \$20,000 to purchase the phone service needed to continue providing essential services through the end of the year.**

Donate early and your donation is doubled thanks to a generous **\$10,000 challenge grant** from a donor and family member of someone Vail has served ...

*“My son was at a very point. There was no place to go and we found Vail Place. It was a life saver for my life and for my son. He has a life. Vail's been doing a lot of good for a lot of people for a long time. So I'm happy to be able to support it.”*

Your gift of ANY amount between now through November 19th will be matched to help ensure Vail can continue to reach our neighbors facing critical needs!

**Donate now and join our work!**
